<p style="text-align: justify;">Dear Sir/Madam,

After trying few times, at last the 1515 connection worked for me.◆ So, I will just continue using my 1515 account and hope that this problem won't happen again.</p> <p>
Since then I would like thanks to TM Customer Care Support for solving my problem and extend my account activation period.◆ And also thanks to the National Consumer Complaints Centre (NCCC) for as a good place to look for help.

Again thanks a lot.

Best regards,
Hee Yuek Mee</p><p>◆</p>
