<p>Dear miss deiviga,

I am writing to inform you that i have reached settlement with intekma resort and convention center, worth a total of rm1200.00, which was agreeable between both parties.◆ Hence, i would like to thank NCCC for bringing my case to them, and with this, i consider this matter settled. Once again, thank you very much for your assistance. Appreciate if you can give me a simple reply so i know you have noted this latest update on this issue.◆ Thank you.

Best regards
