<p style="text-align: justify;">Dear Kind Sirs, <br /><br />Many times you have helped me in my difficulties with Dell, Celcom, and now Touch & Go. I believe you have helped many people too. You are truly the unsung heroes. <br />You do not reply much in mail but you awaken those responsible to attend immediately to us, left in dire straits. Please, I ask of you (both) this honour, to have lunch or dinner with me. I want to give you, my grateful thanks in person.◆◆◆<br /><br />On the 20/Jul/2010, I will be in KL. I am available for dinner and meeting with you sirs. If 20/Jul/2010 is not in your favour, please give me tentative dates & time, be it in Klang / PJ / KL. Please do not decline because this will be in my difficulty list and then I will seek your help again to solve this. <br /><br />Looking forward very much for this meeting. Many thanks and have a wonderful weekend. <br /><br />Kind regards <br />Joseph Clayton Vagues</p>
