Dear NCCC members ,

Thanks for giving a helping hand to solve my complaint with TM which made on last Thursday (19 /6/2011) .&#65533; Without your helps , I don&#65533;t think the case can be closed that fast although it had been dragged for almost 4 years time &#65533; Once again, I would like to&#65533; express my appreciation and&#65533; thank you very much .

Regards,
