<h2 style="color: #3399ff">Stay away from Celcom : A friendly reminder</h2>"If you are thinking of doing your job using Celcom, think again. This blood sucker is nothing more than cheap talk but good for nothing service provider. I received this friendly message from Celcom just now. I hope, Digi will spread it wing to Kuching faster so that we could launch full scale anti Celcom campaign: A friendly reminder, your data usage is reaching the allocated 5GB/ mth (Celcom Broadband Policy). Pls reduce your usage to avoid having your speeds managed." from http://sarawakupdate.com.my/ CELCOM offers now,
